THURSDAY, MARCH 12, 1981

BELLE GLADE — PAHOKEE, FL.

KATHERINE FINKEY halts traffic while students from Christian Day School cross North Marin Street at Northwest Avenue C. Assisting her is Patrolman John Willer. The Belle Glade

Police Department has announced a crack down to make the crossing safer, following two incidents Thursday.

Staff photo by Jim Jones

Police step up crossing protection

BELLE GLADE — A school crossing guard was struck by a car Thursday morning, March 5, and a student was nearly hit by another car the same afternoon at NW Avenue C and Main Street.

Belle Glade Police Chief Bill Mathis has ordered beefed up police protection at the crossing for Christian Day School children to avert a tragedy.

city asked the Department of Transportation to install flashing yellow caution lights and school crossing signs at the intersection, as well as painting school crossing markings on the roads, Mathis said.

The road was painted and the signs erected, but due to lack of money, the state never installed the lights.

Making the road especially dangerous, the state never installed the lights.

A guard was struck Thursday

Briefly

City manager hiring finalized

Upon learning that the City of North Bay Village had accepted the resignation of Rolfe Wagner, Belle Glade City Commissioners recessed a workshop and called a special session Thursday, March 5, to finalize the hiring of the new city manager, City Clerk June Boglioli said Friday.

A provision in Wagner's contract with North Bay Village required 90 days notice before the effective date of his resignation. There had been a question about when Wagner would be released from his contract and able to start work fulltime for the City of Belle Glade.

Delegation has toll free number

Rep. Jim Watt, chairman of the Palm Beach County Legislative Delegation, has announced a toll free number which residents of the Glades area may use to contact their legislators.

From the Glades area call 996-4800 and from the South County area call 276-1200.

THE PRISONER of Second Avenue opens in Belle Glade March 20 and the cast is looking forward to a successful four-day run. Among the

cast are (left) Ann Youchock, Betty McCormick, Anita Adams, and Bryan Branyon, shown during rehearsals.

Black Gold preparations intensify

by JIM JONES

With the Black gold Jubilee, set for April 4-12, less than a month away, the tempo of decision making has picked up as committee members shift to once a week meetings.

Chairman Steve Weeks reported Friday, March 6, that the stage is set for Stella Taylor's 25 mile swim from Moore Haven, down the Rim Canal to the Belle Glade marina area on Tory Island.

She is expected to complete her swim between 4

and 5 p.m. Sunday, April 12. Mrs. Taylor, 51, is requesting \$2,000. Weeks reported that most of the money had already been raised.

Three to four boats are expected to accompany her on the swim. Her trainer and crew will ride in the first boat, while the second boat will carry the overflow from her crew, and the third boat will be for the press.

The sheriff's department will be asked to provide assistance in keeping curiosity seekers at a distance.

No physical contact will be permitted between Mrs.

Taylor and her crew. One of Mrs. Taylor's prime concerns is alligators and snakes which inhabit the area. Human noise associated with the swim is expected to frighten away any reptiles which might be in the immediate area.

Mrs. Taylor's crew will be in touch with her motel through a radio communications system throughout the swim.

Though Mrs. Taylor's swim will be one of the

Continued on page 2

BELLE GLADE Police Officers have turned their search to the Hillsboro Canal, in their

efforts to find the murder weapon used in the robbery of January Grocery Monday.

Detective James R. Eberle is in charge of the investigation and requests that anyone having information about the case contact the Belle Glade Police Department at 996-7251. All information will

be held in strictest confidence.

Also working on the case are Lt. Louis L. Lowery, Lieutenant of detectives, and Detective John Carney.

Says Pahokee fire department

More firemen needed

PAHOKEE—Cecil Phillips, fire chief of the City of Pahokee appeared before the Pahokee City Council Tuesday and pleaded with the Council to add two more firemen to the fire department staff.

Phillips said there is presently only two full time firemen protecting the City of Pahokee and in the event of a fire outside of the city limits and during vacation time only one full time fireman is protecting the city.

Phillips said he had received four applications and two of the applicants came highly recommended and had complete fire training school.

The Council told Phillips the city just did not have the money on hand to hire two more men but turned the application over to Councilman, John Mock, head of the fire department.

Phillips said he could not press upon the Councilmen enough the importance of hiring at least one additional fireman.

Phillips who is eligible for a 30 day vacation said he already received word from the other fireman saying he would not work the entire 30 day period while Phillips is on vacation.

Council chairman, William "Billy" McKinstry said he could not see why

the fireman did not want to work 30 days straight this year when he had did it in the past.

Phillips said the fireman previously lived in a trailer next to the fire department and could still check in at home from time to time.

"Since that time the fireman has moved and does not want to be away from his family for 30 days," said Phillips.

"Things are not like they were 30 years ago and people will not work the way they did then," Phillips added.

"Why work in Pahokee when they can go to the coast and get paid \$14,000

for being a fireman", said Phillips.

The Council also agreed to have volunteer firemen pay their insurance at the end of each month and have the insurance for their families terminated if the premiums are not paid within 30 days.

In other business the Council:

- Heard a report against the burning of pathology waste at the incinerator.

- After hearing the report, Mayor Noma Norman said he recommended only burning the local hospital's waste.

Ticket sales brisk for play

There is no doubt about it: when the Glades College and Community Theater Group production of Neil Simon's "The Prisoner of Second Avenue" opens March 20, it will be before a packed house.

Shortly after tickets went on sale Tuesday, March 3, the March 20 show was sold out. Barry Russal, a Palm Beach Junior College associate professor of English and director for the play said Monday, March 9, that better than 50 percent of all tickets are already sold. Only about 160 tickets remained to be sold Monday evening.

"The Prisoner of Second Avenue" will be presented in Room SC 102 of PBJC-Glades on four successive nights at 8 p.m. SC 102 holds 100

persons comfortably and the set is nearing completion.

SC102 was actually the production company's second choice, the Prince Theater in Pahokee being the first. But when PBJC-Glades' new arts and culture center is completed in October, the company believes it will have first-rate permanent home. The center will seat about 500 persons.

In fact, Russal and his players are hopeful that theater will become a tradition in the Glades area.

An introductory theatre class is now being offered at PBJC-Glades Plans are to eventually offer a full theatre program here, paralleled to the one at the Lake Worth campus.

within the next four to five weeks, reducing the speed at the crossing to 15 m.p.h. during school crossing hours: 7:30 - 8:15 a.m. and from 2:30 - 3 p.m.

DOT is cooperating "100 percent" Mathis said, but the signs are currently out of stock, accounting for the delay.

With last week's two close calls, Chief Mathis has decided to take preventive measures to head off a tragedy.

Starting last Thursday, a patrolman, complete with police cruiser and flashing red light parked in the median of the intersection, has been present to help with traffic control. Traffic cones have been placed in the street alerting motorists to slow down and the police department is carrying out "selective enforcement" of the slow down.

Crossing guard Katherine Finkey noted the police presence appreci-

tively. "It's very hard to do by yourself. We have quite a few chronic offenders," especially the truck. Willie Belle McKenzie of 873 Avenue E was the guard knocked down Thursday. She was not seriously hurt and was back at work Monday.

"Katherine (Finkey) had her stop sign up. I had my stop sign up. All the other cars had stopped," Ms. McKenzie said. "I stopped to wave for the little boy to come. Just as I started to turn, the car hit me from the passenger side. I was knocked down

back to the left side of the road."

Iva Petrone Royce, 36, of 765 W. Ave. A was the driver of the car.

She was accompanied by Toni Bushnell, 25, of 300 N. Main St.

Christian Day is unofficial

tennis champ

BELLE GLADE — Christian Day Glades the unofficial tennis champion of Belle Glade.

Christian Day beat Glades Central 5-2 Feb. 27, Glades Day 6-1 March 4, and Clewiston 4-3 March 9.

Black Gold Jubilee

Continued from page 1

highlights of the weekend, many other events are planned.

A parade is set for Saturday, April 11, at 10:30 a.m. Pahokee High School is one of the latest bands to agree to march, joining Glades Central, East Lake, and Christian Day. Other new parade entries include the Association of Retarded Citizens - Glades and Okeechobee Chamber of Commerce floats.

Applications for a softball tournament April 3 have been distributed and 16 to 24 teams are expected to enter. Eight womens teams -- double the number of a

year ago -- are also expected to take the field, Mike Underwood reported.

Underwood said he hopes to schedule tournament games at Lakeshore and Airport Parks. He ruled out Jaycee Park, due to the need for field improvements.

A tennis tournament will be held April 4-5 at Lions and Airport Parks. Application blanks have already been distributed throughout the community.

A test of physical endurance, the 13 mile, half a marathon, is set for Saturday, April 11, at 7 a.m., and will be run over last year's course, Underwood said.

A three mile run is also set, but committee members are still trying to find a safe route the Belle Glade Police Department will endorse.

The marathon will start at 7 a.m., followed by the three mile run an hour later. Men and women of all ages may compete. Trophies will be awarded to both men and women.

Sunshine Watersports Ski Club and the Belle Glade Recreation Department are sponsoring a raft race Sunday, April 14 at 3 p.m.

Brett McCormick reported the race will be held in the Kinn Canal by the municipal marina pavilion.

Mens, womens, and mixed team trophies are to be awarded. Rafts must be of home made and use oars, paddles, or sails for propulsion. No engines are allowed.

Life vests must be worn and rafters must stay on the raft. Each raft must carry at least two persons.

Rafts will be inspected at 1 p.m., April 12. Applications are available at the front desk of city hall. Call 996-0100, extension 244 for additional information.

John Wright reported on the golf tournament, which is set for 8 a.m. till 5 p.m., April 4. The draw for the tournament will take place at a scramble tournament March 14.

Rev. Dave Evans reported on a square dance set for April 9 at the civic center, sponsored by the Junior Human Relations Council.

The religious side of the Black Gold Jubilee is also being observed this year. A letter to all area churches has been prepared, asking that churches "join on that Sunday so that an entire community will lift its voice in praise to God."

The next meeting of the Black Gold Jubilee Committee will be held Friday, March 13, at noon in Belle Glade City Complex.

"Home Sweet Home"

"Dream, Sweet Dream"

Let us help you buy that dream

Your Dream House can turn into a dream come true with a Home Sweet Home Florida National Bank Mortgage. There's a lot more to be considered in arranging a Mortgage Loan than interest rate, an 11 length of term, or equipment. Let us show you how best to put all these elements together to "tailor fit" your current and future personal needs.

All Florida National, we've got the money and the expertise to help you turn your "Dream House" into a "Home Sweet Home."

How 9 See It

by Abba Henry

Education more

important than ever

While the new federal administration is busy chopping big chunks of federal monies out of the hands of many citizens across the nation, some persons are taking a wait-and-see attitude toward how it will affect them.

Budget cuts that are presently being planned would, without doubt, cause massive losses in jobs if the people, Congress and the courts accept the proposed budget cuts. The people with the money -- the rich -- could sit back, provide the jobs of their choosing and reap the benefits of desperate job seekers at will.

One of several possible equalizers that could be thrust into the face of an employer is exceptional knowledge that very few people have. This means good, sound, and demonstrable skills that will show useful productivity. Even the citizens with a good command of basic academic skills to go along with demonstrable ability to use them to produce useful goods and services would likely be in demand in these times that seem to be getting harder.

From the way it seems now, as money is getting more scarce, governmental funding is being cut back, and jobs are being eliminated, a good education with extra innovative skills, seems to be a very important consideration, particularly for the young.

For many young people who are now attending high school, a lack of general guidance about attitude, future skills and education that will be expected of them in the not-too-distant future seems to be a permanent handicap.

Not too long ago the very capable Rev. Jesse Jackson seemed to have a worth-while national movement of counseling youngsters on attitude and the need to concentrate on studying beyond the ordinary to achieve excellence in academics on the way. Glades Central Community School put Jackson's concept to use during their recent Brotherhood Week activities.

If we are to survive in the not-too-distant future our kids must begin to place a higher priority on academics.

Britton Sayes told guests of the La Chic Mesdames Social Club's Mr. Mystique banquet, 5,000 students graduate from college each year hoping to play professional sports.

Sayes said that of 5,000 only 10 to 15 percent are given the chance to try out for a professional team and of that percentage only another 5 percent actually make the team.

What if on the first day of practice the athlete is injured and cannot continue his career? If he or she has a strong academic background the future will not look so bleak but if the student was given basket weaving and art courses chances are he will turn to a life of crime and have a bleak future ahead of him, said Sayes.

To make sure our kids are getting the necessary survival skills in the school the parents must be willing to take the responsibility for seeing that their children are being placed in appropriate classes in the various schools; often when parents finally learn of the poor showing of or misplaced children, they are then frustrated and ready to blame everyone except themselves and their children.

Every child in the public school system is supposed to have at least one guardian or parent to see to it that child is properly placed in appropriate classes. The guardians or parents also have the responsibility to visit the schools to see what their children are doing. If parents do not follow through with these responsibilities, they will likely learn too late that their children will have received a less-than-adequate education and the burdens of ill prepared children will be on their shoulders.

Due to the failures of many parents to watch and guide their children, many students never reach what we know as true adulthood with proper attitudes, learning skills, and other tools expected of the average adult. The end results we see and read about daily. It's usually not a pretty picture nor a good story.

Correction

In a Herald-Observer editorial March 5, Pahokee Councilman George Rashley was reported as questioning Building Inspector Philip Stonaker for allowing Dr. Jaime Motta to move his practice into a residence at 3178 Bacom Point Road.

This attribution was in error. It was Council

Chairman William McKinstry who asked why an occupational license was issued for an area zoned for residential purposes.

We regret the error. We stand by our contention, however, that physicians in small towns should be allowed to install offices in residential areas.

Opinion

HOLIDAY INN Manager Dave Perella accepts an award from MD's Dee Ward. The Kiwanis MD phone bank was set up at the Inn.

Staying in character

A sane person will drive slowly and deliberately over many of the state roads in our area.

Any other approach will result in the driver bouncing off the roof of his car, running into a canal, or wrapping the vehicle around a tree.

It's no news that local roads are in a sorry state, but late last month, new Department of Transportation Secretary Jake Vern visited and found this out for himself.

Vern now recognizes the problem of building roads through muck areas, the lack of base materials, and the canal hazard.

He promised no quick fix, however, citing the lack of state funds. Even the feds promise to be

of little help. They require that state roads meet federal specifications. Many Florida roads don't meet the specifications.

Still, it was encouraging for the new DOT secretary to visit this area so soon after taking office.

He now has an understanding which would have been impossible to acquire through countless telephone calls, letters and telegrams.

Nevertheless, it is an understatement to say that state action to upgrade our roads is not imminent. Like the prudent driver who now uses Glades roads, the state will most likely be slow and deliberate in its actions.

Letters to the editor

United States
International
Development Cooperation
Agency
Agency for International
Development
Washington, D.C. 20523

Jerry Williams and I wish to thank you for taking time to chat with us during our visit to Palm Beach County in early February.

We believe that the Glades area of the county would serve as an excellent training exercise for the Foreign Service Officers who are participating in our Development Studies Program. Following the suggestion that many of you made, we have decided to bring our group to the Glades area in November rather than in May. Thus we would be coming at a time when the sugar cane industry and all related activities are in full swing. Our group would get a much better appreciation of the Glades area.

The exact timing and arrangements for our visit in November 1981 will be

coordinated through Palm Beach Junior College.

We look forward to meeting you again and having you talk to some of our participants in the development Studies Program.

Sincerely,
s/Richard A. Cobb
Faculty, Development
Studies Program
Room 435, SA-14

To the Editor:

The Pahokee Business and Professional Women's 1980-81 club year is very close to an end. Looking back over the past months, I notice much has happened in our area. Sometimes growth is slow and hard to recognize in the midst of day to day living. But, with a positive approach, and by taking that retrospective look it becomes easy to measure progress. In doing so, I am proud to be a part of Pahokee and enjoy what this community offers.

As to the purpose of this letter, for the club members and myself, we wish to thank you. A club, any

organization, rely's only in part on its members. Advancing forward, to a great extent, is also due to support gained from the local community. The Pahokee B.P.W. Club learned, grew and accomplished in many areas this year and this could not have been so were it not for your encouragement.

Notes of appreciation have been sent to some of the help given in our 4th of July Fireworks Sale, October's Meet the Candidates Night, our Woman of the Year Banquet

honoring Doris Wetherington and even our monthly Business and Program meetings. But many thanks have not been given or perhaps not said loud enough. Therefore in closing, once again, we thank you Pahokee and Belle Glade for helping to make our year something special to look back upon.

Sincerely yours,
Kathi Ligon
President, Pahokee
Business and Professional
Women's Club

Woman recalls brush with death

From her room in Everglades Memorial Hospital, 19-year-old secretary Laurie Jane Barwick of 387 Cypress Ave., Pahokee, recalled her brush with death Friday, March 6.

Ms. Barwick was returning home with her boyfriend, Bruce Parker of South Bay, shortly after midnight Tuesday, March 3, when a semi tractor pulled out from a dirt road onto State Road 715 near Hooks Welding Shop in front of her 1976 Datsun pickup.

"Bruce looked up, grabbed me and pulled me to his side. That's probably what kept me alive," she said. The Datsun went under the trailer, struck the trailer's front dual wheels, and bounced onto berm on

the west side of the road.

Ms. Barwick drifted in and out of consciousness after the accident. "I'm real lucky. It really didn't hit me that I had been in such a bad accident until I saw the car later," she said.

She credits her boyfriend's quick reflexes with saving her life.

"That's what kept me alive. If I wasn't dead, I'd be all broken up," she said.

Ms. Barwick says she was released from Glades General Hospital about 4 a.m., but went into shock later and was admitted to Everglades Memorial Hospital, where she has since undergone a brain scan and other tests.

"It's a miracle," she said of her survival.

Arrest blotter

MAN CHARGED WITH DWI, POSSESSION
Deputy Sheriff G.F. Radford charged Lorenzo Bethea with driving while intoxicated March 7 after observing him swerving and running off the road in a 1979 Buick at State Road 15.

Radford stopped Bethea just south of the Glades Office Building for the arrest. He observed a paper bag with what appeared to be a pistol. Closer inspection revealed a .357 magnum revolver and 45 small manila packets of marijuana.

MARIJUANA ARREST MADE
Deputy Sheriff Thomas L. Brooks charged Paul Sherrock, 55, of 3424 Bacom Point Road with possession of less than 20 grams of marijuana March 5. Brooks said that he spotted a 1980 Ford pickup truck parked on the edge of the road, and partially blocking use of the road about 5.4 miles north of Canal Point about 1 a.m.

He found the truck abandoned, keys in the ignition switch, and doors open with a number of valuables in full view. Concerned that foul play might have overtaken the truck's owner, Brooks called in L. Michael Mills and Deputy Steve Haller to assist in search of a wooded area.

Deputies also checked the interior of the truck for identification and found a packet of marijuana weighing less than 20 grams.

Eventually, Sherrock was spotted in the woods and charged with trespass and possession of marijuana.

SCOTT ELLIS

That empty feeling

Here's one for the Government Waste Department: We received two letters from the Internal Revenue Service last week. No, we aren't about to be hauled to jail for not paying our taxes for the last 10 years. Since both of the letters were empty, I don't know what the IRS letters were about.

Yep, both the letters were empty. And our secretary-person, Brenda, told me that we've been getting these letters periodically for a long time.

To top it all off, (and to add another cliché to this deadline-pushing piece), the addresses on the letters read respectively: Everglades Observer and The Lakeshore Shield, both of these concerns were combined into our present Herald-Observer several months ago, but apparently the IRS isn't aware of this yet.

I didn't call the IRS (the return addresses said Jacksonville and the postmark said West Palm Beach) because of the long distance charges. It's their goof to send out letters without contents to addresses and businesses that no longer exist, not mine.

I'm curious though, about how many other

such envelopes IRS has sent out. I am sure

glad that President Reagan is proposing those tax cuts and I think that one of the first things he could cut out is the money designated in the IRS's budget for sending out empty envelopes.

If you know of any other examples of government waste that you or your business has come in contact with, let me and the Herald-Observer know. We'd love to print your comments, (with the expletives deleted, of course!)

In the meantime, don't forget to file your tax return!

City approves cable television rate hike

By Jim Jones
BELLE GLADE—Belle City Commissioners approved a 9.85 percent rate hike for Jones Interchange, Inc. Monday, March 9, but not before making clear that the increase does not mean the city is completely satisfied with cable television service now being provided.

Effective April 1, basic cable rates will go from \$8.65 to \$9.50 and additional hookups from \$2 to \$2.20.

Phil Drummond, Belle Glade manager of Jones Interchange called reports that service provided by his company is poor "unjust and unfair."

Drummond said that about 50,000 feet of main trunk cable — or one-sixth of the entire system — has been replaced in an effort to upgrade cable reception.

Drummond said the local system has had no major outages recently, although individual feeder lines have been cut off temporarily.

"All I ask is that if there are problems I be notified of them," Drummond said.

Mayor Thomas Altman said that when members of the city commission call the cable company for service the response is prompt. But when the average citizen calls, the service leaves something to be desired.

"We don't want a snow job up here," Altman told Drummond, referring to the apparent disparity in responsiveness.

Drummond said his company has a problem with residents of Belle Glade, many of whom don't immediately report problems. If the problem is not reported, it may be three or four days before the company becomes aware of it.

Drummond admitted that his company still has troubles with two channels in the northeast area of the city. "The system is old," he said. "It's not an overnight job. Overall, we've made a great deal of progress in that area."

Altman said that he has received complaints from subscribers who had been told that ESPN, a 24 hour sports channel would be offered in December, but still had not received the service.

"People are subscribing based on that," Altman said, asking Drummond to tell his staff not to release dates until they become official.

Drummond said ESPN should be offered in the immediate future, but an NBC affiliate, probably channel 20 of Fort Myers, would have to be dropped first. The date ESPN will be offered is Belle Glade has still not been determined Drummond said.

Commissioner Dorothy Walker said the commission wanted to establish that residents have been having

troubles with the service, but though the company's increase was justifiable to keep up with inflation and increasing costs.

Under its franchise, the company is able to increase rates five percent a year without commission approval. Jones Interchange has not raised its rates since 1978.

Altman said he had no problem approving a rate increase, so long as it was not taken as an endorsement of service provided by the company.

Commissioner Walker incorporated Altman's suggestion to retain a technician to inspect the system in her motion to approve the company's rate hike. The commission approved the motion unanimously.

Pahokee boys fall to Avon Park

BY JIM JONES

AVON PARK — In a rough and tumble game, Pahokee lost to undefeated Avon Park 87-78 Saturday, March 7, to bow out of the Section 4-AA basketball playoffs.

With the win, the 25-0 Red Devils go on to the state playoffs in Lakeland.

For the second straight year, a team from the Everglades hoped to knock off an undefeated team from Florida's ridge country to advance into the playoffs. Last year, Clewiston turned that trick in edging previously unbeaten Mulberry in the sectionals.

Pahokee trailed by as many as 17 points in the first half, but rallied behind Terrence Banks, who scored 30 points, to take over the lead at 74-72 with 3:17 left in the game.

Avon Park regained the lead with 2:32 left, however, and outscored Pahokee 11-9 the rest of the way to ice the game.

"Pahokee has a hell of a team," Avon Park Coach Don Sizemore said. "A lot of fouls hurt both teams," he said, referring to the infractions which put two starters from each team on the bench.

Pahokee's soft spoken coach, Eddie Rhodes, and some of the Blue Devil fans thought the officiating hurt Pahokee more than Avon Park.

"The officials stopped us every time we started a run," Rhodes said. "We didn't get good point production from all of our players."

With Calvin Fountain and Terrence Banks out of the game the last few minutes, and Boris Banks benched for most of the final period with foul trouble, Pahokee was unable to sustain its comeback against Avon Park.

Terrence Banks almost single handedly kept Pahokee in the contest during the first half with

his nine free throws.

Avon Park outscored Pahokee 24-12 in the first quarter, but Rhodes said he wasn't too concerned at that point.

"We have been coming back all year. I thought we could handle it," he said. "Without Terrence, I don't know what we would have done."

Pahokee's scoring attack was unbalanced. Terrence Banks had 30 points, but Rhodes' number two and three scorers, Calvin Fountain and Clinton Wilson, had only 13 and 12 points, respectively.

Avon Park likewise featured an unbalanced attack. Game scoring honors went to Alvin Conner with 43, while Charlton Weathers had 23 points. No other Avon Park player had more than seven points.

Pahokee ended the year with district and regional championships, and a 19-7 record.

Staff photo by Jim Jones

PAHOKEE'S encounter with Avon Park was a bruising affair of many penalties. The outcome was in doubt until the final minutes when Avon Park put on a finishing spurt to outscore the Blue Devils. Avon Park earned the right to compete in the state playoffs.

Glades Central girls lose in state playoffs

BELLE GLADE — The Glades Central Community School girls' basketball team waited a whole year to return to Winter Park High School to look for their pot of gold at the end of the rainbow.

The Lady Raiders were denied the Class AAA state title last year in a one-point loss to Melbourne High School.

Rated number three going into the state playoffs in Winter Park Friday afternoon against Marianna, the number two ranked team in the state, the Raiders looked awesome.

The Raiders earlier had defeated Pompano Ely in the sectional convincingly with a 63-31 score.

The Raiders who had not lost a game since their season opener against Fort Pierce Central beat Ely in the sectional and was perhaps the Glades' finest performance of the year.

Although the Raiders started the game off sluggishly against Marianna, Friday the Raiders managed to over power Marianna and won the game 47-37 in the semifinals.

The Raiders were not running their fast break

offense efficiently and fell behind at half time 18-14.

The Raiders sensational star, Joy Burroughs scored, 10 of her 18 points in the first half to keep the Raiders in the game, but she also picked up three quick fouls and had to lay off on defense.

Mary West, who had to miss last year's championship game added 14 points to the Raiders score.

In the final game Saturday against Bradenton Southeast, the Raiders went down 70-48.

Cold shooting from the field and foul trouble combined to cripple Glades Central.

The Raiders finished the season 25-2, and Bradenton Southeast finished 31-0.

Coach Logsdon said the Raiders could not get their running game going, and things got worse at the start of the fourth quarter. Joy Burroughs and Mary West fouled out.

The Seminole, led by Lori Smith's 22 points, outscored the Raiders in every quarter.

West, the Raider's center was high scorer with 16 points and Burroughs was second with 15 points.

Christian Day undefeated in 3 games

BELLE GLADE — Christian Day School opened its 1981 baseball season with a 14-1 win over Pahokee Friday, March 6.

Warren Gibson hit a three-run homer in the third inning to highlight the attack. Christian Day scored eight runs in the fifth inning, paced by the three run triple of Warren Gibson and back to back triples by Alex Morales and Juan Amas. said Coach Gus Harmon.

Kent Davis, Morales, and Gibson each had two hits. William Cruz was the winning pitcher, tossing seven strike outs.

Pahokee scored its only run in the fifth inning and it was unearned.

Saturday, Christian Day beat St. Edwards 11-1 in another five inning game. In the third inning, James Barnwell hit a two RBI single to left field. In the fourth inning, Jesus Aramas had a single and stolen base and was driven in by Kent Davis' single to left. Davis scored

on an error.

The Crusaders scored four more runs in the fifth inning on walks and errors.

On the day, Jesus Aramas and Kent Davis had two hits. Warren Gibson was the winning pitcher, throwing a one hitter and striking out seven.

Tuesday, March 10, Christian Day beat Moore Haven 2-1. Moore Haven scored first as Jerry Parks reached first on an error, and advanced on two fielders choice.

Christian Day tied the score on an error, stolen base and fielders choice. In the fifth inning, Alex Morales singled in Jesus Aramas for the winning run.

William Cruz was the winning pitcher. He had 11 strike outs, two hits, and one walk.

Saturday, Christian Day plays a double header at Ft. Pierce and Tuesday the Crusaders play Kings Academy.

Staff photo by Jim Jones

PAHOKEE'S Albert Gray ran the 440 yard dash in 51.18 Friday, March 6, to win the event in a four way track meet at Clewiston.

Glades Central track schedule

DATES	PLACES	WHERE	TIME
Feb. 28 (Sat.)	Lake Worth Invitational	Lake worth	N.A.

May 1 (Fri.)	Regional Championship	NA	NA
May 8 and 9 (Fri. & Sat.)	State Championship	Winter Park	NA

Glades Day hopes for better prospects

With two losses in his team's first three games, Coach Tom King thinks his team has better things coming to it in the balance of the season.

"I hope that's not an indicator of the future," King said.

In a double-header at home Saturday, the Gators went down 10-8 and 9-6. In both games, the Gators hit well (13 in game one and 13 in game two), but their pitching didn't hold up as Boca

walked 10 men in the first game and seven in the second.

Tuesday though, Davy Haynes, a sophomore, pitched a one-hitter for five innings to win over Indian River in a home match, 10-0. Jason Shelton and Tony Sanchez hurried in the twin-bill.

In the Indian game, the Gators got only five hits. But they were big ones and they were more than was needed to defeat their hapless opponents.

Glades Central girls off to flying track season

The Glades could have another superstar sports team on its hands. The Glades Central High School Girls Track squad took first place in a 14-team meet Friday at John I. Leonard High School in West Palm Beach.

Coach Jay Seidler said his team, which finished in the top three in the state last year, could make it to the top this season.

"We've got more depth now than we did last year. We're also stronger and we didn't lose many girls

from last year's team," Seidler said. "We should at least finish third again this year."

Among the firsts the team won last week was a win in the 440-Shuttle Hurdle Relay. Rosaline Green, Michelle Tyler, Barbara Bostick and Sofie Dukes ran for the Raiders in that event. A school record time of 1:05:2 was set.

Bostick and Dukes, along with Dawn Missam and Carmen Crawford won the 440-Relay. Green, Tyler and Carla Redwood

won the 330-yard Low Hurdles. While Bostick, Missam, Dukes and Crawford took top honors in the 880-Relay.

Going into the Glades Invitational Wednesday, the girls' record is two wins, a second place and a third place.

The Invitational, sponsored by Burger King, is scheduled to start at 3:30 p.m., with finals set for 6 p.m. The ten teams in the meet will go at it at Glades Central High School. Admission is \$1.

Donkey ball was played at Glades Central Monday.

1981 GLADES DAY Girls Tennis Team: From left, Debbie Dulany, Lisa Challancin, Felissa Orduna, Deidre Orduna, Claire Pope, Cheryl Hooker, Coach Rita Schoenfeld.

Glades Day girls win 2 tennis matches

The Glades Day girls tennis team has won two of their last three matches by bringing their record to 6-2 on the season, Monday.

They lost at Benjamin 4-3. Friday, however, the girls topped John Paul at some 5-2 and beat Kings Academy in an away

match Wednesday 6-1. Today, the girls take on Okeechobee in an away match. Friday, they go to Boca Academy and

Monday they host John Carroll. The boys, now 0-8-1, have the same schedule as the girls.

Pahokee second in Clewiston meet

Pahokee High School was second in a Friday, March 6, track meet held at Clewiston. Complete results follow:

Belle Glade pursues federal 201 grant

BELLE GLADE—Belle Glade City Commissioners voted Tuesday, March 9, to apply for \$200,000 of federal money with which to modify its 201 wastewater treatment plan. If the grant is approved, the city would be expected to provide a \$7,000 matching share.

Questions remain to be resolved over the method of effluent disposal, though, non Sigmon, director of public works, believes the city may end up with a deep well injection system and an emergency outlet.

Commissioners asked Finance Director Frank Anderson to look into where the city may obtain the \$7,000 match from.

The Palm Beach County Health Department has mandated improvements to the city's water and sewer treatment and collection system.

City officials are believed that they were ready to begin the design phase of the plan.

But in early February after a meeting with Environmental Protection Agency officials in Atlanta, that impression was dispelled. No two EPA officials could seem to agree on where the city stood in its progress, Sigmon reported.

Delays in implementing the 201 plan were expected to delay an expected hike in water and sewer rate increases during the year. Increases had been proposed to help pay for the financing of the improvements.

In other business Tuesday, the commission:

•Granted the Belle Glade Kiwanis Club permission to operate a concession at Lake Shore Park during the Black Gold Jubilee in April.

After lengthy discussion, commissioners agreed to the Kiwanis concession by split vote. Voting for the request were Commissioners Randy Davidson, Claude A. Tindell, and Charles D. Goodlett. Opposed were Dorothy Walker and Mayor Thomas Altman.

Concern over the lack of a written guide for granting concessions and the possibility of setting a precedent which could come back to haunt the commission prolonged the discussion.

Commissioners agreed to address a written policy in a Tuesday night workshop, March 10.

Although proceeds from most Kiwanis projects go toward improvements for the city, the April event is to help defray the club's operating expenses.

Commissioner Walker said the city needs a "unified" plan for concession rights at Airport and Lakeshore Parks. The city already operates a concession at Airport Park.

Mayor Altman tempered his objection to a Kiwanis concession by saying, "I am a very strong supporter of the Kiwanis club. They have a very fine track record." Altman asked if there might be some other way the city could support the Kiwanis Club without having to make a precedent setting decision.

Altman asked if it would be possible to award contracts for the operation of concessions. City Attorney John Baker advised against such a venture, saying the "legal problems would be rather substantial."

"A year ago, we told ourselves we were going to sit down and set a policy," Altman said, noting that the city still lacked a policy.

Citing the operation of food booths by the Afro Arts Council at a city park as a precedent, the board approved the Kiwanis request by split vote. "If you do it for one, you have

to do it for the other," Commissioner Goodlett said.

•Jerry D. Krinn, disaster director for the Palm Beach County Chapter of the American Red Cross, advised the commission that the ARC is planning to open a permanent office in Belle

Glade.

"Our ultimate goal is to open a full time, staffed office," Krinn said, outlining fund raising projects which are planned.

Already slated are a fishing tournament Sunday, May 24, and a barbecue.

The ARC's immediate

goal is \$60,000, but the chapter would accept less, Krinn said.

Krinn called Belle Glade a "growing and thriving community" and said that the Red Cross would like to offer transient and aging programs here, in addition to its charter responsibilities of

aid to military families and disaster relief.

"We know it will work," Krinn said of the proposed office and asked for community support.

Mayor Altman said he is excited about the prospect of a Red Cross office opening in Belle Glade, noting that normally

commissioners have to lobby in West Palm Beach for services in the Glades.

•Approved a rezoning application for Willie Vea Betts of 536 S.E. 5th St. The rezoning from R-2 to B-2 will permit Glades Roofing Co. to enlarge its yard space for storing roofing gravel in concrete bins.

A six foot stockade fence will be installed on the south and west side of the property as visual screens.

•Endorsed a CoTran proposal to obtain four new buses to replace those now connecting the Glades with the east coast. The county plans to apply for \$779,968 of federal money, a portion of which will be used to buy two 40-foot, 46 passenger air conditioned buses equipped with wheelchair lift. Two 30 foot, 31 passenger buses, similarly equipped, would also be obtained. Cost of the buses alone would be

\$520,000. •Moved Monday's proposed workshop to Tuesday, March 17. To be discussed at the workshop is the city's policy on granting concessions at city parks, safety of canals in residential areas, and the city's 201 plan.

•Approved proclamations recognizing March 21 as Glades Festival of Arts Show Day, March 8-14 as Employ the Older Worker Week, and March 1981 as Red Cross Week.

Sandra Chamblee to receive Community Health award

Mrs. Sandra Chamblee of Belle Glade is one of four Palm Beach County residents chosen to receive the 1980 Paul G. Rogers Community Health Excellence Award.

John Schmiederer, chairman of the selection committee, made the announcement March 3. Mrs. Chamblee received consumer award.

Mrs. Chamblee has been active in health organizations in the Glades area for the past 10 years. She helped organize the Glades Area Association for Retarded Citizens and has served as President for the past two years.

She is also now serving as District IX's Vice President for the Florida Association of Retarded Citizens. She has served for the past 10 years on the Board of Directors of the Palm Beach County Unit of the American Cancer Society and as the Belle Glade Crusade Chairman. She has served on the Executive Board as secretary, treasurer, vice president, public education chairman and is currently president of the society.

Mrs. Chamblee served with the Belle Glade Junior Women's Club as Chairman of the State Home Life Department and was presented with the National Preventive

Medicine Award by the Center for Disease Control in Atlanta for her work on behalf of the Florida Junior Women's Club in this field.

She has served as a member of the Board of Trustees for the Southwest Palm Beach County Public Hospital District since 1977 and is currently serving her second year as Chairman of the Board.

Also receiving a consumer award was Walter D. Kelley of Riviera Beach, while Dr. W. Bryan Latham and Dr. V. Markin Johnson, both of West Palm Beach, received provider awards.

The awards will be presented at the Health Planning Council's annual meeting Thursday, March 26, at the Palm Beach Garden Holiday Inn, located at PGA Boulevard and Military Trail.

Miss Lutz serving on student committee

DELAND — Parents and other guests attending Stetson University's 1981 Parents Weekend, Mar. 13 through 15, may not be taking class notes or busing up for mid-term

CHERYL MacTAMMERY

named to dean's list

CLEVELAND, Tenn. — Cheryl MacTammery, the daughter of Shirley MacTammery of Pahokee, has been named to the dean's list with honors at Lee College, according to an announcement by Dr. Laud O. Vaughn, dean of the private liberal arts college here.

The honors listing recognizes students maintaining a minimum course load of twelve semester hours who have achieved a scholastic average of 3.80 or above.

Miss MacTammery is a student at Lee, majoring in Psychology and Bible.

Title One meeting

Thursday

BELLE GLADE — There will be a Title I District Advisory Council meeting at Palm Beach Junior College Glades Center from 10 a.m. to noon on Thursday, March 12.

All parents and interested residents are invited and welcome to attend. The beginning of the meeting will be devoted to in-service training workshops followed by the regular business meeting.

For further information, you may call Gregory C. Belli, parental involvement coordinator, Title I, at 634-5000, Ext. 5197.

Program Sunday

BELLE GLADE — The Sons of Light Lodge number four will observe its annual masonic celebration Sunday, Mar. 14 at 3 p.m., at the St. John First Baptist Church.

The public is invited to attend.

Worth-Lee plans announced

Mr. and Mrs. C.M. Lee of Belle Glade announce the final wedding plans for their daughter Elizabeth Darleen to Randy Lee Worth, also of Belle Glade. The groom-elect is the son of Mrs. Elizabeth Worth and the late Eaton Worth of Belle Glade.

The bride-elect was graduated from Belle Glade Christian Academy in Belle Glade and the groom-elect recently finished basic training in Ft. Benning, Ga. where he is training to become a National Guardsman.

The wedding will be held Saturday Mar. 14 at 2 p.m. at the Apostolic Church of Jesus Christ in Belle Glade.

All friends and relatives of the couple are invited to attend.

Stokes promoted

PAHOKEE — Everglades Memorial Hospital has a

new supervisor of surgery, Mrs. Virginia Stokes a registered nurse was recently promoted to the position.

Employed at the hospital since the summer of 1978, Mrs. Stokes a native of Bridgeville, Del., is married to Deputy Charles Stokes of the Palm Beach County Sheriff's Department.

Mr. and Mrs. Stokes lives in Pahokee and are members of the United Methodist Church of Canal Point.

Mrs. Stokes is vice-president of the Business and Professional Women's Club of Pahokee.

She attended Palm Beach Junior College School of Nursing.

Red Cross

to meet

The American Red Cross will meet at the Belle Glade Chamber of Commerce Wednesday, March 18, to discuss fund raising activities at 7 p.m. A barbecue is being planned for May.

Senior Airman Sheryl A. Hensley, daughter of Mr. and Mrs. Dale D. Allen of 2541 S.W. 14th St., Pahokee, has been named outstanding airman of the Quarter at Sheppard Air Force Base, Texas.

Senior citizens given luncheon

PAHOKEE — More than 75 senior citizens living in Padgett Island and Fremd Village participated in the Second Annual Senior Citizens Valentine's Day Luncheon sponsored by the Glades Ebonique Ladies Club of Pahokee.

The senior citizens spent Saturday morning on Feb. 14 at the Padgett

Island Community Center where the Glades Ebonique Ladies provided the senior citizens with a variety of games prior to luncheon.

During the annual king and queen contest Ed Jenkins was selected the king and Mrs. Aldonia Laws the 1981 Valentine's

Day Queen. Both Jenkins and Mrs. Laws received a Valentine mug and candy.

Following the contest the seniors were served lunch.

Mrs. Mae Alice Johnson, the club advisor was also present with a Valentine mug.

Cynthia Thiebaud

Thiebaud and Burton to exchange vows

Mr. and Mrs. William A. Thiebaud of Belle Glade announces the engagement of their daughter, Cynthia Jane to Robert W. Burton, both of Tallahassee.

Burton is the son of Mr. and Mrs. Leroy P. Burton of Jacksonville.

The bride-elect is a doctoral candidate in Florida

State University. Her fiancé is a 1972 graduate of Florida State with a master's degree in business administration. He is currently employed as an executive account manager with the Burroughs Corporation.

A May 23 wedding at the First Baptist Church Memorial Chapel in Tallahassee is being planned.

RIF books distributed

BELLE GLADE — Lake Shore Middle School distributed more than 2,000 free books to students attending the local middle school on Tuesday, Mar. 3.

Ms. Marilyn Pavlick, head of the English department said the book distribution was the first of two distributions of books the school is planning. Ms. Pavlick said more than 4,000 books will be distributed free to the students before school is out.

The books were made available through a grant the school received for migrant students and funds received from the Mu Rho Omega Chapter of Alpha Kappa Alpha Sorority, Inc., in support of the Reading is Fundamental program.

Ms. Pavlick said the migrant program was 100 percent funded by the federal government.

Jody Chisholm, coordinated the migrant program and Jean Perry served as the coordinator for the RIF program.

Each student at Lake Shore Middle School

received two books during the first distribution.

Ms. Pavlick said a committee made of community leaders, educators and Mrs. Harma Miller, president of the Alpha Kappa Alpha Sorority during the beginning of the school year and selected a

variety of books for the distributions.

On hand for the distribution were West Area Superintendent, Jack Redding; Dr. Kenneth Loveless, director of Secondary education for the West Area and other school personnel.

Spring banquet planned

PAHOKEE — The Title I West Area Advisory Council is busy planning its Second Annual Spring Banquet.

The Advisory Council has planned the banquet for Friday, April 10 at 7:30 p.m., at Pahokee Elementary School.

This activity along with other business was discussed at the regular monthly meeting of the WAAC held Tuesday, Feb. 17, at Gladeview Elementary School in Belle Glade.

Rev. Joseph Anderson, district advisory council president from West Palm Beach, presented a program telling the group "How to Have an Effective SAC".

Bonita Moore, Title I Community Resource Person, was elected to serve as area representative to the District Advisory Council (DAC) with Mrs. Louise Bowman serving as the alternate.

Ms. Martha Stander said plans for the Spring banquet will be continued at the Mar. 18 advisory council meeting at Pahokee Elementary School.

All Title I parents in the "West Area" schools will receive invitations to the dinner and will be asked to bring a covered dish. Anyone who would like more information about the WAAC or the banquet may call Ms. Moore at 996-4900, Ext. 4615.

SENIOR CITIZENS LIVING in Padgett Island and Fremd Village participated in the Second Annual Senior Citizens Valentine Day

Program sponsored by the Glades Ebonique Ladies Club.

staff photo by Alma Henry

Cook's Choice

Miss Mary Jo Beck who recently moved to Pahokee from North Carolina shares one of her favorite recipes, Jello Cake with the Herald-observer readers. Miss Beck enjoys outdoor sports and is affiliated with the Business and Professional Women's Club of Pahokee. Welcome to the Glades Mary Jo.

JELLO CAKE

1 box of white cake mix
3 1/2 ounces of Vanilla Instant pudding
3 ounces of jello
8 ounces of cool whip
Bake cake in 3 by 9 pan. Let cake cook for 10 minutes. Fork holes throughout cake. Mix jello using only hot water. Slowly pour jello over entire cake. Make Pudding, then spread over entire cake. Using cool whip make final layer on top of entire cake. Refrigerate 3 to 4 hours before serving.

THE CHOIR at St. Peter's Lutheran Church sang with spirit to Young at Heart Club during the club's regular meeting at Jamison hall. Shown with the students is their music teacher Mrs. Janis Fliehs who accompanied the group on the piano.

Solid Waste meeting date changed

The Regular Meeting of the Palm Beach County Solid Waste Authority Budget & Policy Advisory

Committee which was to be held Monday, March 16, has been rescheduled at the request of Com-

missioner Bill Bailey. The meeting will be held Thursday, March 19, at 7 p.m. in the Belle

Students entertain Young At Heart Club

BELLE GLADE-The Young at Heart Club was entertained March 5 by the choir from the fourth, fifth, and sixth grades at St. Peter's Lutheran church at the Community United Methodist Church in Jamison Hall.

The group, under the direction of music teacher Janis Fliehs, sang a series of spiritual, folk and patriotic songs. According to Mrs. Fliehs, the group is available for programs anywhere in the community at no charge.

Mrs. S.M. McAllister, program chairman for the Young at Heart Club, encourages all senior citizens 55 or older to come and be a part of their organization. According to Ms. McAllister, the group meets every first Thursday of the month at the Community United Methodist Church at noon. Everyone is invited to bring a covered dish for the luncheon. A program is usually held afterwards.

The Young at Heart Club has been in operation for the past four or five years to encourage senior citizens to fellowship together. Currently the club has 50 to 60 people in attendance at every meeting.

Glade Municipal Complex. "No one has ever died an abject."

Tickets may be purchased in advance from any Lions Club member.

50% of advanced proceeds go to Lions Club Community work

TAKING IT FROM THE TOP

By REV. DAVID T. EVANS
Everglades Presbyterian Church

This is the fourth and last in a series of articles on the pastor and the local church. This column will take up ways that the judiciary head or executive may be of help to the local pastor and church. The judiciary head is known as a district superintendent, general presbyter, executive presbyter, bishop or overseer.

The judiciary head needs to be in close touch with the pastor to help spot trends in the congregation or community. Sometimes this is done by a study of membership statistics, population growth or changes in the community. Sometimes the executive will want to visit the worship services or officer meetings in addition to visits with the local pastor. When the problem which occurs may be beyond the capability of the pastor or officers, the judiciary head can call in professional expertise which can be of assistance in special trouble areas.

The judiciary committee on the minister can be helpful when a church has a definite problem by encouraging the best possible person to become an effective pastor to the congregation. The discouraging churches sometimes end up with a minister who is unsuited to a congregation and community. The declining or problem church ought not to be the dumping ground of mediocre ministers but a challenge to the best. Sometimes the judiciary must be willing to supplement the salary to get the right person.

The cause of problems may not be in the pastor, leadership or judiciary relationship but the three working together can locate cause or the need and decide on the best solution or solutions. After this decision, the three must continue to work together encouraging and inspiring each other in a creative way. The solution is not always to make the church regain its glorious past but to move forward to meet the needs of a changing future with enthusiasm and joy.

Only by dedication and positive action of the pastor, officers and judiciary working together with open communication between all parties can the church grow qualitatively and even quantitatively in a highly mobile community or a slowly dying community and buck the trend. Prayer, cooperation and dedication together with sensitive and creative leadership can meet the needs of the community. Remember the local pastor needs your support and encouragement. A pat on the back will get you more leadership than a critical slap in the face.

Birth announcements

BELLE GLADE — Mr. and Mrs. Mohammed Ibrahim born, Feb. 3 at (Soubhal) of 990 S.W. 2nd St., announces the birth of

their daughter, Sheruk Ibrahim born, Feb. 3 at Glades General Hospital.

Area laymen to attend baptist state convention

ST. PETERSBURG — Many Glades area baptist ministers and laymen will be among the active participants at the Thirty-ninth Annual Session of the Progressive Missionary and Educational Baptist State Convention of Florida to convene in St. Petersburg Mar. 17 through 22.

Dr. James Carl Sams, of Jacksonville is serving as the general president of the convention and Rev. L.P. Davis, pastor of the Mt. Pilgrim Missionary Baptist Church is serving as the host pastor and church for the convocation.

Along with the congregation of the Mt. Pilgrim Missionary Baptist Church many local baptist churches in the St. Petersburg area will host several of the auxiliaries of the convention.

The convention will open Tuesday, Mar. 17 at noon with a board meeting of the state officers. Tuesday evening a local program of welcome will be held at the Faith Temple church.

The convention which is acclaimed one among the finest of religious bodies in the nation is especially designed to promote mission, christian education, evangelism, benevolence and better relations among all people said Mrs. Alberta J. Williams, secretary to the general president.

Mrs. Knight is presently serving as corresponding secretary of the senior women auxiliary.

Dr. J.B. Adams, pastor of the St. John Missionary Baptist Church of Belle Glade and chairman of the Education Board is also scheduled to address the convention.

Mrs. Daisy Henderson, vice-president of the Users Union; Mrs. Annie Mae Henderson, second vice-president of Mission No. 2; Mrs. Mary S. Kendall, first vice-president of the Junior Women Auxiliary and Alma Henry, reporter for the auxiliary will be among many delegates from Belle Glade at the convention.

The Rev. Percy Bass will deliver a sermon for the Users during the convention and the Rev. O.W. West, Jr., of Pahokee will speak during the educational session for the Junior Women.

The Rev. L.H. King, of Clewiston, chief shepherd of the Children Convention, along with Mrs. Laurette King and Mrs. Susie Beckton will represent Clewiston at the convention.

Also attending the convention from the Glades will be Moderator Aron Drayton, Rev. Leon Camel, and the Rev. R.E. Hairston.

One of the keynote addresses of the convention will be given by Dr. Benjamin Hooks of New York City, the executive director of the National Association for the Advancement of Colored People (NAACP).

Dr. Hooks will be the speaker for the Social Justice Hour on Thursday, Mar. 19 at 2 p.m.

STUDENTS AND FACULTY MEMBERS entering Lake Shore Elementary School cafeteria are reminded of the morning sun. The school beautification committee under the chairmanship of Mrs. Josephine Perez third from the left, decorated cafeteria with bright

yellow table clothes, plants and flame retardant yellow curtains. Assisting Mrs. Perez with the project were Principal Eddie Fitzgerald, Mrs. Joan Finney, Mrs. Barbara Case, assistant principal and Mrs. Mary Rogers Bell.

Toccoa Falls choir to present concert

BELLE GLADE — Some years ago when the dam broke at Toccoa Falls College at Toccoa Falls, Ga., a wall of water went across the campus claiming many lives. Belle Glade responded to the needs of the stricken campus.

Toccoa Falls Concert Choir will be coming to Belle Glade Friday, March 13th, 7:30 p.m. for a concert at the Belle Glade Alliance Church, 425 E. Canal Street N. This 40 member choir made up of 25 young women and 15 young men, will be with their director, Mrs. Pauline H. Hester, who has been with the choir since its inception in 1957.

Toccoa Falls College is an interdenominational college, founded by Dr. Richard A. Hargrett in 1907.

The school and the public is invited to attend.

CARD OF THANKS
Thank you, all my friends out there for calls and visits. A very big thanks to you, Jeff from Christian Day School for the flowers you sent me. Also thanks go to the

Belle Glade Police Department, the emergency dispatch and the ambulance service. P.S. Thank you for the beautiful flowers Jeff sent.
Willie Belle McKenzie

2 die in canal

BELLE GLADE — Two local teenagers drowned Saturday, March 7, when their pickup truck plunged into a canal on the east side of Duda Road.

David Dixon Harrington, 19, of 152 Flame Ave., Pahokee, and Susan Mary Gordan, 14, of Sandcut, Glades Day student,

were the victims.

The truck was found overturned and the cab submerged. A passing motorist saw the wheels and alerted the sheriff's department.

The two young people died about 2 a.m. Sunday, according to the medical examiner's office.

57 \$6,000. Write only - W.H. McFarland, 2200 N. 92 St. Miami, FL

2 qualify for for Pahokee race

PAHOKEE-City Councilmen William "Billy" McKinstry and Curtis Miners wasted no time in qualifying for re-election to the Pahokee City Council.

The first day of qualifying was Friday, Mar. 6 and both Councilmen filed that day.

McKinstry, presently chairman of the Council filed for the Group 1 seat. This will be McKinstry's fifth election with the city of Pahokee.

McKinstry who lives at 371 E. Main St., said he would like to continue as

a Council representative to continue the work presented before the Council and to serve the citizens of Pahokee the best that he can.

Miners filed for the Group 2 seat and this will be his third election with the city.

As of Tuesday

City Clerk, Betty McCoy said no one had qualified to run against the two incumbents.

Would be candidates have until Friday, Apr. 3 to file.

The election will be held Tuesday, May 5 at the Pahokee City Hall.

Labor camp for sale

PAHOKEE-The Board of Directors of the Pahokee Housing Authority, Inc., agreed Tuesday to put the Everglades Labor Camp up for sale.

The 56 acre former labor camp located on U.S. Highway 441 just Southeast of Pahokee was the target of criticism last September when NBC aired "The Migrant-50", an hour long documentary on the working and living conditions of farm workers living in South Florida.

Executive director, Randy Mills said sealed

bids for the property will be received by the housing authority until April 14.

The board is requiring a 10 per cent deposit upon acceptance of the contract, one-third of the purchase price required at closing; and the Pahokee Housing Authority will finance the balance of the purchase price.

Mills said persons interested can obtain a purchase contract form from the Pahokee Housing Authority's administrative office, 465 Friend Terrace, Pahokee.

The former labor camp was first opened in 1937 to house migrant workers and has been idled since 1972 when the Pahokee Housing Authority moved tenants to two new housing developments; Fremd Village and Padgett Island.

In other business before the Board:

• Discussed the tentative budget for the Pahokee

Housing Authority to be submitted to the Housing Urban Department (HUD) for approval.

• Heard a report from Mills on the "Utility Allowance Study. Mills said the study is required by the federal government and presently Florida Power and Light is sending information to the housing authority on the tenants' consumption of electricity.

• Mills told the board the re-examination of the tenants' income was still underway.

Mills said he invites persons who think the housing authority do not try to verify their tenants income to come and visit with the housing authority during the re-examination period.

"We spend approximately four months out of each year for the re-examinations," Mills said.

Brisk

Continued from page 1

clude presenting musicals and offering a children's theatre program.

Right now, however, the theatre group is working hard to perfect "The Prisoner of Second Avenue" for the March 20 opening. The group has been working since December and rehearsing since January.

About 12 persons comprise the core of the group and six of them are actors and actresses.

Russell is particularly proud of the representative nature of the cast, drawing from Canal Point, Pahokee, Belle Glade, and Clewiston. "It's a local production entirely," he says.

Though donations of money and supplies have been sought for this production, Russell hopes that the program becomes so successful that the hat will never again have to be passed.

"Good Theatre is good entertainment and people will pay to come and see it," he said. Ticket sales will be the major source of revenue for future productions.

James Montgomery of Clewiston and Anita Adams of Belle Glade have the two leads in this dramatic presentation. Karen Hansford, Bryan Brannon, Betty McCormick, and Ann Yonck are the other players.

The production company also includes Sarah Bennett of Glades Central High School, who has provided technical assistance. James Stedham - lighting, Carol Priest and Cindy McKee - rehearsal secretaries and publicity. Joe Rivas - props, Bertha Steward - wardrobe, Odissie Gilmore - wardrobe, makeup and props, Gene Blair - sound, Cathy Lienan - photography, Lori Betts - scenery, Paul Cassidy - technical assistance. Dr. Cecil Conley of FBHC Glades has also played a major supportive role.

Tickets for the production are \$3 each and may be purchased at FBHC or the Herald-Observer office in Belle Glade. Call 996-3055 or 996-3056 for additional information.
